

MEDIA RELEASE

GLENDALE TRADE SCHOOL-Addressing Australia's Skills Shortages

Glendale Technology High School will hold an information night for Year 10 students who are interested in enrolling at

" Glendale Trade School" for the 2010 intake of School-Based Apprentices and Traineeships (SBATs) on

Monday 3rd August at 7pm, at Glendale Technology High School, Oakland Street, Glendale.

The Trade School exists within the high school site and is a partnership between the school, TAFE-NSW and local industry partners. On offer is specialised training as part of the Higher School Certificate (HSC), for students wishing to pursue careers the skill shortage areas of:

- Engineering
- Automotive; and
- Aged Care
- Acute Care
- Electrotechnology

Glendale Technology High School Principal, said, "The Trade School offers students paid work with time to go to TAFE as part of their studies for the HSC. The Trade School is a great opportunity for students who are interested in careers in these skill shortage areas. They will gain a head start into their career qualifications while still attending school."

At the completion of Year 12 students will attain exit credentials of:

- Higher School Certificate
- Australian Qualifications Framework (AQF) Certificate 11 or 111 in related field
- TAFE certificate 11 or 111

Students will be work ready in these skill shortage areas.

The information night will be held on Monday 3rd August at 7pm, at Glendale Technology High School, Oakland Street, Glendale.

An information pack is available on the night
